Saturday March 21st 2020 in Trumpington Village Hall

starting at 1.00 pm and finishing about 8.00 p.m.
(Bring your own food. Free coffee, tea and squash.)

This event is open to all members of the EBU.

The event consists of 6 X 8 board matches, 3 played before the tea interval and 3 afterwards. Permitted systems/conventions will be level 3.

There is a winner's trophy and prizes for the leading pairs (numbers depending on entry) and for the leading pair below Advanced Master (i.e. below 7,500 local points). There will also be prizes for the pair, not receiving another prize, who gains the most positions in the second session (Ascender's prize).

Scoring will be by computer with current round assignments. Each board is scored across the field by normal pairs scoring (match pointed pairs) and each pair's percentage score over eight boards is converted into victory points (20 VPs per match). The first round is drawn randomly but in subsequent rounds each pair will meet opponents with a similar cumulative VP score. The final ranking is based on the cumulative VPs gained over the six rounds. **Blue Master Points** will be awarded (per match won and on overall ranking) on the county scale.

Important Note This event requires an even number of pairs, which means that the last to enter may not be accepted. **To avoid disappointment please enter early.**
